- (v) Mr. Gaurav Bansal, M/s Kesho

Buyers:

- (i) Dr. Sandeep Manu, Dr. RML Hospital
- (ii) Dr. Anuradha, PGI and Dr. RML Hospital

2. Initiating the discussions, the Chairman mentioned that all the items under discussion conform to relevant BIS specifications and therefore, the requirements of these specifications are to be met in the supply. On the issue of requirement of Test Report as mandated in the TP, the representatives who were channel partners mentioned that the Test Reports were available neither with them nor with the distributors from whom they take the store and the manufacturers are unlikely to part with the Test Report. They suggested that the requirement of Test Report should be made applicable only in the case of bidding where Test Report with Batch No., expiry date against the particular batch etc. may be called. However, the representatives were asked to arrange the Test Reports from the OFMs till a view is taken by GeM Admn. regarding requirement of Test Report only in the case of bidding.

2.1 With regard to Fragrance, the vendors requested for addition of more than one field (option), particularly in the case of Handwash and Laundry Soap.

2.1.1 In the case of Handwash, the vendors requested to add 215 ml, 225 ml and 900 ml also which are available in the market.

2.2 In the case of Laundry Soap, the representatives requested to add a separate parameters for 'No. of bars in a pack'.

2.3 In the case of Bath Soap, it was suggested by the vendors to make provision for various colours.

2.4 No changes to TPs were suggested by the vendors in the case of Cleaner Powder and Glass Cleaner.

3. The vendors mentioned that sometimes the companies launch schemes wherein some free item is offered. However, the Buyers find it difficult to account for these 'free' items. Therefore, there should be a provision of filters in the case of all products by which the Buyers can select to avail the stock 'with' or 'without' scheme.

4. The Buyer representatives from Dr. RML Hospital handed over a sheet containing specifications of (i) Alcohol based hand rub, (ii) Antimicrobial hand wash and (iii) Antiseptic hand wash and requested to bring these items in a separate category on GeM.

4.1 Similarly, the vendors requested for creation of washing chips or flakes separately.

Minutes concluded.
