M/s S. R. M.
M/s CBL Office furniture
M/s Saash Solution
M/s Mahadevi Interiors Soltion
M/s T. Enterprises

Buyers:

None

During deliberations with the participants, it was suggested that:

- (i) More parameters should be with drop down facility and more values to be covered under drop downs values: All sellers would send their individual suggestions for each item through e-mail.
- (ii) Acceptable Tolerance may be provided with each drop down value / parameter so that all different designs could be accommodated since there are no standard dimensions for furniture items.
- (iii) To maximize parameters under filter category: Sellers would send item vize suggestions separately.
- (iv) Maximum applicable Product certifications to be captured for each item as filter parameter.

- (v) Golden parameters for Furniture items will be proposed by the participants through e-mail for each item separately.
- (vi) Participants also suggested for inclusion of Warranty as mandatory filter parameter.
