Whereas hereinafter collectively all party shall be referred to as the "Parties" and individually as the "Party".

### BACKGROUND:

Procurement of goods and services in right quantity, of right quality, at right time, at right price and from right source is a very important function for any organisation. **Government e Marketplace (GeM)** set up by Department of Commerce, Government of India is a state-of-the-art public procurement platform that has used technology to remove entry barriers for *bonafide* sellers and has created a vibrant e-marketplace with a wide range of goods and services. With multiple procurement modes, inbuilt policies for automated market adjustments and end to end digital processes to enable vibrant buyer-seller engagement, GeM has evolved as an increasingly transparent, efficient and inclusive platform. GeM has drastically brought down wait times and prices for buyers, and ensured timely payments to the sellers. Higher participation on the GeM portal has resulted in significant savings accruing to the buyers. These aspects of cost savings and transparency have been endorsed by the World Bank in its independent assessment of transactions on GeM.

Both the Parties have entered into a *bipartite* MEMORANDUM OF UNDERSTANDING in order to enable the EIL to make use of GeM for procurement of both goods and services.

NOW IT IS HEREBY AGREED BY AND AMONG THE PARTIES HERETO AS FOLLOWS:

**1. Obligations/Commitments:**

**1.1 The Government e Market place will take the following measures:**

- a) Creating a Unified Procurement System for the country by bringing the functionalities of publishing portals such as the Central Public Procurement Portal and Indian Railways Electronic Procurement System (IRePS) onto GeM to provide a single user experience and consolidate the scattered vendor bases on publishing portals onto GeM leading to advantages of economies of scale, better price discovery and dissemination of best practices in procurement in line with the announcement by the Hon'ble Finance Minister in her Budget Speech for FY 2020-21 (Para 48): "Government e-Marketplace (GeM) is moving ahead for creating a Unified Procurement System in the country for providing a single platform for procurement..;
- b) Facilitating CPSEs to on-board GeM;
- c) Creating the required categories of goods and services on GeM;
- d) Creating the features and functionalities required for fast, easy and transparent procurement from GeM;
- e) Ensuring that transactions in GeM are in line with CVC and DoE guidelines in so far as applicable to CPSEs;
- f) Integrating systems of GeM with the CPSE's payment systems in order to facilitate *online* and time-bound payment to suppliers/service providers;
- g) Integrating systems of GeM with the CPSEs' systems in order to facilitate creation of bids on GeM by CPSEs from within their own Enterprise Resource Planning (ERP) systems;
- h) Facilitating CPSEs to impart training to its officials on the use of GeM.

**1.2 The CPSEs will take the following measures:**

- a) CPSE shall mandatorily procure through GeM all goods and services which are available on GeM;
- b) Align their procurement rules/procedures/ processes/ policies with GeM in such a way that they are in *sync* with the procurement rules/procedures/ processes and policies of GeM to the maximum extent possible;

- c) Identify and refer to GeM the requisite changes/ features/ functionalities/ specifications required in GeM for their requirements of goods and services;
- d) Communicate the list of additional new categories that are required to be added on GeM portal as well as the list of categories already on GeM requiring alterations along with detailed required specifications in excel sheet;
- e) Use the functionalities of the “seller invitation module” and “crowd sourcing of categories and sellers” module to invite new sellers onto GeM and to suggest the creation of new categories on GeM in addition to (d) above;
- f) Identify additional clauses that are frequently required in their bids but are not available in GeM’s General Terms and Conditions (GTC), Product Specific Terms & Conditions (STC) and Additional Terms and Conditions (ATC) Library and share the same with GeM;
- g) Facilitate and work closely with GeM so as to complete the migration of all their existing vendors including the empanelled vendors, across functions, regional offices, sites and plants of CPSEs onto GeM;
- h) Share the annual procurement plan for 2021-22 with GeM in line with Rule 149 (vi) of GFR and section 4.1 of the handbook for GeM;
- i) Share ERP data on procurement of goods and services with GeM and also the estimated value goods and services procured;
- j) Organize user training for their officers and staff for effective use of the features and functionalities in GeM;
- k) Depute technical teams well conversant with the CPSEs’ payment systems and ERP systems to interact with the team in GeM for integration of the two systems;
- l) Ensure immediate issuance of Provisional Receipt Certificate (PRC) upon receipt of goods/services and Consignee’s Receipt-cum-Acceptance Certificate (CRAC) within Ten (10) days of issuance of PRC, by the Consignee;
- m) Ensure payment to vendors/service providers within Ten (10) days of issue of CRAC by issue of necessary order/notification (Model Office Memorandum issued by Department of Expenditure; Government of India is Annexed as Annexure-A)&;
- n) Till integration of CPSE’s payment system with GeM is completed and a PFMS-like system is simulated, a special payment system shall be devised by CPSEs for ensuring timely payments to sellers on GeM. To this effect, the CPSEs shall open a new non-operative current/saving / liquid-term account (to be named as GeM **Special Account**) in any of the

Banks which are integrated with GeM for the operation of the GeM Pool Account. Or, the individual CPSE buyers can also open separate GeM Pool Accounts to collect advance payment from buyer and transfer to suppliers' accounts upon receipt of payment instruction to bankers through GeM portal;

- o) As a first step towards realising the above vision of the Government, a functionality for generating "GeM Availability Report and Past Transaction Summary" (GeMAR&PTS) is being made available on GeM with effect from 01.07.20. This would greatly help and benefit the buyers in taking informed procurement decisions in respect of availability of product/service on GeM along with necessary details relating to past transaction summary. For goods and services available on GeM, CPSEs shall procure from GeM. For goods and services not available on GeM or partially available on GeM, CPSEs would be given the option of publishing the tenders for goods and services on GeM itself thereby availing of a single user experience. CPSEs, on their part, shall avail of this functionality and procure all their requirements from GeM for goods and services available on GeM as well as those not available on GeM.

**2. Termination clause:**

Each Party shall have the right to terminate the MEMORANDUM OF UNDERSTANDING by giving three (03) months' written notice in writing to the other Party at any time. If the MEMORANDUM OF UNDERSTANDING is terminated by either Party, steps shall be taken to ensure that the termination does not affect any prior obligation, project or activity already in progress.

**3. Amendment clause:**

The MEMORANDUM OF UNDERSTANDING may be modified or amended by written agreement between the Parties.

It is hereby agreed that this signed MEMORANDUM OF UNDERSTANDING can be put in the public domain by any of the signatories.

However, if the consignee does not issue CRAC within 10 days (unless some other time line is specified in a particular contract for issue of CRAC), on 11th day from the date of receipt / deemed date of receipt of quantity/ milestone achievement / service delivery as indicated in PRC, GeM System/Portal would auto generate unsigned CRAC which, backed with digitally/e-signed PRC or deemed PRC based on Seller Evidence for the corresponding quantity/ milestone achievement / service delivery shall be taken as deemed acceptance for payments in lieu of the requirement of digitally/e-signed CRAC. This will be made available on GeM to the Buyer/ Seller and also the concerned DDO (if applicable) and PAO/Paying Authority. xii). After generation of CRAC, the Buyer shall prepare 'Payment advice' on GeM Portal, indicating any contractual deductions such as penalties for violation of Service Level Agreement (as applicable)/Liquidated Damages for delayed supplies/ milestone achievement/ service delivery etc. which will be used by GeM portal to compute the net amount payable for the accepted quantity/ milestone achievement/ service delivery after factoring in the contractual deduction(s) and generate claims for payments digitally/e-signed by the Buyer. This claim for payment shall be made available to the DDO on GeM Portal and the requisite data will also be pushed online in the PFMS. DDO will log into PFMS and generate the Bill against the said claims and forward the same to the PAO/Paying Authority for payment, after deducting any statutory deductions including TDS as applicable.

xiii) It is obligatory to make payments without any delay for purchases made on GeM. In no case should it take longer than the prescribed timelines. The timelines after Consignee Receipt and Acceptance Certificate (CRAC) issued on-line and digitally/e-signed by consignee, will be two (2) working days for Buyer, one (1) working day for concerned DDO and two (2) working days for concerned PAO for triggering payment through PFMS for crediting to the supplier's account. The PAO/Paying Authority and DDO shall comply with the provisions of General Financial Rules for budget implementation.

xv) In case of return of Bill, if necessary by PAO/Paying Authority, it should be made online with all queries/discrepancies/reasons for rejections indicated in one go with the approval of competent authority, to the DDO/Buyer for the needful corrections at their end.

*K. S. S. S.*

The DDO shall also be responsible for deduction of TDS on GST as per GST provisions and to deposit the same with the Govt. as per GST rules and issue Form GSTR 7A to the person whose TDS has been deducted.

xvii). GeM System/Portal would also have on-line provisions for generating supplementary Invoice(s) for claim/refund of statutory changes in Duties and taxes, if any, as above. A provision for all types of refunds/claims should be available on-line through PFMS.

No offline payment should be made in such cases to avoid double payment. Only in exceptional cases such as non-availability of the GeM platform or long shutdown of internet services at Buyer location or similar force majeure conditions, such off-line payments can be resorted to subject to the condition that immediately after resolution of the problem, necessary entries would be made on-line in GeM portal to obviate the possibility of double payment.**

**B. Payments for Non- PFMS Agencies/ Entities (NPAE):**

- f) Any withdrawal/transfer by the NPAE from this account, except for payment to the Seller / Service Provider, would be permitted in the following conditions.
  - Order cancellation
  - Order rejection
  - Refund
